Mike Hurst will be playing the Kenton Theatre in Henley next Sunday February 25: the concert is billed as **Tracks of My Years** with the first half reportedly featuring Mike and his son Jason performing Everly Brothers classics plus some original material while the second half will feature the latest incarnation of the Springfields (shown above).

Don't have any problem with him singing the songs the Springfields made famous with 2 others.
However the write up states...in the second half he will be joined by The Springfields....I think that is a ridiculous comment.

I agree Trek, I wish he would give it a rest, i told him on e mail the last time he tried this that its just not right to think he can call them the Springfields.he didnt like it much either.

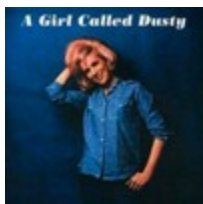

Dusty cant be replaced in that set up whereas the male singers could and were.

Her voice was the whole point, hes jumping on a bandwagon with three wheels. 😞
"every day I find you're in my heart and on my mind"

"she was the very essence of fabness"

" its nice to rest for awhile thank you "

Wait Mike said he didn't like being billed as The Springfields, or didn't like you calling him out?

Strikes me as being like Richard Carpenter (say who did he disrespect again????)...can't admit he's nothing without the real star...
