[Music Walk of Fame](#)

by [daydreamer](#) » Thu Feb 21, 2013 8:51 am

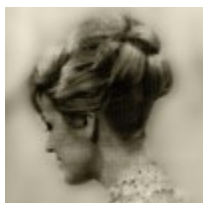

It would seem there is going to be a new Walk of Fame (just for music stars) in Camden and the first group of "inductees" will be announced in May. No mention of Dusty so far as I can see, but being born in West Hampstead (borough of Camden) definitely makes her eligible, more so than some of the other acts in the running! I sent my suggestion through the contact section on their webpage should anyone else feel like doing the same 😊

I had a reply to the email I sent this morning from David Courtney, managing director of the Walk of Fame.

Hi Carole.
The inductee process has not been initiated at this stage for The Music Walk of Fame.
Dusty would as you say be one to add at some point.
Please watch out for details in the near future.
Best Regards
David

Thanks Carole. 🙏 Followed suit. Told them Dusty came from the area and was the greatest singer this country has ever produced. 😎

Well, it's not Dusty related yet Nancy, it was just that I thought Dusty should be considered. It's not a public vote, at least not yet. If it gets to that, then we should definitely put it up there and anywhere else we can think of 🙏

I saw this on the BBC Website, and wrote on their board suggesting that the Greatest Female Singer ever (and a Londoner) should be the first name on the walk.

I will use the link provided and send an email. Thanks folks.

Reading who some of the acts already thought to be on the list are (Dusty not amongst them), I'd be well miffed if she wasn't included. I really hope they don't just overlook her. Linda, I couldn't see anywhere on the BBC site to write with opinions, are you just meaning you wrote to the link I posted earlier? There is another link below from the Walk of Fame website but I would have liked to reply to the BBC article.

Carole maybe we will have to bombard Twitter or Facebook to get ourselves heard.
I hope they put UK artist top of the list rather than Frank, Elvis etc etc.,
I can see a protest March from LTD if not?

To Daydreamer:

When I saw the article posted on the BBCWebsite they were inviting comments. That's when I suggested that Dusty should be the first name on the walk. You said you would be 'miffed' if she is not included....I couldn't put in print what I would be...the very thought of them not even having her included as yet, has really angered me. Lets hope they get their act together and do the right thing
