It seems that Dusty at one time considered or had the role of The Glamour Cat Grizabella offered to her in the musical 'Cats'..

Whilst I can well imagine Dusty adoring this musical, cos of the subject, I wouldn't have liked her to have taken this role. 😞

Although Grizabella has the best song in the show, 'Memories'.. I didn't like the way she had to mooch about the stage looking like a washed up old hag...I can't see Dusty doing that, somehow.

So, I was wonderin, if you could have cast Dusty in **any** musical, which part would you have given her, and in **which musical**.

I'm still sat here trying to think of just ONE question! 🤔🤔

I'm not really a musical fan, so haven't seen too many... I do think Dusty would have been absolutely sensational as a cat. Maybe she wouldn't have fancied the touring production, but maybe a one off performance for DVD or something... Fabulous!!! I really could see her doing such a fantastic job with that one! 😊

Hows about 'Calamity Jane' or later on, the more tragic role of Norma Desmond in Sunset Boulevard?..Both those musicals have songs that Dusty could have nailed. 😊
