## [My Dusty room](#)

■ by [boztiggs](#) » Sat Jun 19, 2010 8:44 pm

Here we are the folks, welcome to the official unveiling of my Dusty inspired room. It is not finished as in furnishings, but this is the basic shape of the room until i get some other bits and pieces in there. Eventually it will have a Music system as well. I chose the colour scheme to suit Dusty, and i am very pleased with it, and i hope you like it too

I want your room. Miffed of Manchester 😊 I'll be over for a visit when it's all finished and may even have the odd little gift for you, if you're a good lad that is.

There's a part of you, that's a part of me...

What an amazing Dusty room! 🇬🇧 Very fine taste, Neil! I especially like the posters on the wall with her career move. 🇬🇧  
Did you let them print professionally?

They are from a Dusty exhibit in 09 at the O2 British Music Experience. Simon got them donated to be auctioned at Dusty Day and Neil and Jay won most of them. I believe there is a story about them trying to cram them into a taxi cab. 😊

your Dusty room is absolutely fabulous, Neil. Is there sound in there also?...a place to go to really crank it up 🎧  
You should feel proud that the room was built on your donations to the Royal Marsden...Dusty would be proud.

I think you guys...nancy, jason & you..should have a little dance party in there. 😊 🎶

Oh it was great to have nancy stay in there! Nancy preferred to sleep on an airbed on the floor, so that way each morning we were able to put the airbed in our big bedroom so that nancy would then have the room the way it is intended, to be a nice relaxing room, and she was able to spend some quality rest time up there on her laptop surrounded by the lovey colours and the imagery thats in there so far. I do hope to fill the room with a lot more things, but it will be gradual and i will of

course update the pics as i go along. I have already added a music stand with the Dusty for voice/piano/guitar book on it which looks quite swish I think. I cant go upstairs without going in, and i have all the lights on until we go to bed, I still cant believe its done, it was something that had always been in my mind, even though its not like there isnt anything else in the house of Dusty!! Im really chuffed with it
