You are so right Nancy! If someone really made me make the decision, and I had to put all of our banner pics in order, that would be number 1 🏆

I would love to see that one in colour. What was the colour of the outfit again?

I thought I'd re-post this one. It was Fraser's favourite Dusty pic and the one that he used as the logo on all his "Beehive Productions" This time it's in colour courtesy of his friend Will.
