Please please please all of you go through your photos tonight!!

For the Dusty photo timeline, I've almost finished, but there are still a few years that need a photo!

I tried to scan some in earlier from the Complete Dusty Springfield but my crappy scanner combined with the glossy pages made the photos almost to light and scratchy to even see.

No luck there.

If you let me know which ones you want from the Complete Dusty Springfield i'll either scan them in or i'll photograph them, whichever looks the better. Then i'll e-mail them to you

Thank you so much OMG this could finally actually be finished!

Rob, there is one from 1986 with Spencer Davis on page 128 - I think thats the only photo I know of from 1986..

The others were ones of years that I thought deserved a better photo, but I think I may have just found some!

Thanks so much!

Don't ask me for these dates - ask Queen Carole. I only know that the Springfields one is from RSG 1963. The ones as kids might be from about 1948. These are all from DWD. There is another one with glasses but it is right in the spine so I can't scan it properly. Enjoy!

Wasn't there a photo of her at home with her OBE? I think I remember this being in one of the newspapers at the time, but I might be wrong...

If I was to guess I'd say I saw it in a UK newspaper back at the time...I'll look on some of their websites.

Matt - maybe the woman was Vikki Wickham?

I looked on all the newspaper sites but I can't find anything - I'll have to give them a ring or something.

I think it was in The Sun because that is what we used to buy back then but it might have also been in other papers. I'll give them a ring some time.

This will get you into their archive Matt, though they will want CC details. You get free credits for access, but have to pay for any downloads. That put me off a bit as I don't like giving money however small to the tabloid press!

I never saw a photo of Dusty with her OBE. She was so unwell at that time, I can't believe that she would have had any pics taken. Remember she was meant to be inducted on the day that she died but received the honour a couple of weeks early. She was reported to be very reclusive by then.

I'd also be surprised if such a photograph existed, but I've been wrong before.

Me also, I think the last 'official' photo of Dusty must surely be the one taken at Christmas '97 with Nona Hendryx and the Boxing Nun, but I'm not totally sure.....

I don't think there were any ones when she was sick. Spencer and Dusty were 1984. They're on a site of one tread that Ro put up for me. Ask where. I have a blocked brain. Teda. You can lift them.
