Where am I going?

Thought that would get your attention...

I am having trouble with page formats but have a 25 page Dusty related item to post....it took me hours to scan...ha ha

I'll try and get it uploaded tomorrow as I will have to reconvert files at work...

What is it???

Oooh - it's a mystery and it's not anything to do with art..!

(Well a mystery for most people - no telling them what it is - Mads & Sophie!)

Little Miss Greedy Innocent is shocked & dismayed at such rumours! 🤔 she would never give away her Fortnum & Masons gifts! not that she could, anyway; as she's polished off most of 'em 🤔 now she understands why it was Dusty's favourite shop..

yeah. Imagine how long it's gonna take me to upload them.. gulp..

No Mr Insomnia - you are in on it. Nothing going on but a bit of Dusty 4play.. Ro does it to us all the time!

BTW Soph - I can't remember what Ro DID give you for Xmas - now for some reason I have a mental picture of you eating a piece of valuable memorabilia..
