[NEW BOOK Jon Savage: 1966 - the year the decade exploded](#)

by [Corinna](#) » Thu Dec 17, 2015 7:09 pm

Has anyone read this book yet? It's got Dusty on the cover! 📖

1966.jpg (13.3 KiB) Viewed 2570 times

Judging from the review in The Guardian, I believe Jon Savage is onto some interesting analysis here:

'How liberated were female pop stars in 1966? The term "sexism" simply didn't exist. A woman couldn't even open a bank account without the approval of her husband. It's also easy to forget that what now seems familiar as high 60s fashion was seen by many as peculiar at the time. Dusty Springfield collapsed more than once under the pressure; even in a cafe, she said, the public's eyes would follow her fork to her food, then up to her mouth, then back again.'

<http://www.theguardian.com/books/2015/n...sic-review>

The review is headlined by a nice big pic of Dusty as well!

Cor xx

*Dusty Springfield, that's a pretty name
Pretty as a pearl
What a pretty girl*

I've not read the book but i enjoyed the Guardian article. It highlights the massive and amazing changes that have taken place since the 1960s. Food for thought.

Have the book but not read it yet as reading about Carole King .. and as you can imagine can really associate with this time in my life ha ha .. the age thing .
😊 . a good review in the Guardian ..Remember how when buying my first car a Mini , had to sort this with the Bank through my father ... how things have changed 🙌

It looks a really interesting book. Maybe when its a paperback i will treat myself.
I dont buy hardback books anymore.
Lovely cover too.
I started my nursing career in Sept 66 so it was a very eventful year for many reasons.

life in the sixties was great for me. 🙌 😊 🎸 🎵 📖
"every day I find you're in my heart and on my mind"

"she was the very essence of fabness"

" its nice to rest for awhile thank you "

Does look an interesting read.

I was still at school in 1966 doing O levels and then moving onto A levels in the September.
[Trekx](#). Often called Carole.

Ev'rything's coming up Dusty.

There is also a double CD "1966" out to accompany book. Including "Little by Little" from Dusty and Norma's hit "Walking my cat named dog". Available thru Amazon for £18.99 or £32 for both.

I'd rather see the world the way it used to be.....

..I'm goin' back.

1966 was quite a year for Dusty with 4 great hits. LBL, YDHTSYLM (only No 1), GB and AISIY.
