Yes it's another one of those lists but quite a sizeable survey it seems...

A poll of 5,000 gay men and lesbians have voted for their top male and female celebrity gay icons:

OMG! It's a scandal....!

...that I have collections, some small and some large, of all these gay icons

...except Lily Savage but I love her too!

Look at both lists. I wonder who voted. Was it 50% boys and 50% girls? No, it was

about 80% boys. I'd bet 50p! Whoops! Maybe I'm a gay man! *I don't know where I am or who I am or what I'm doing!* Who said that? 10 gay points if you get it.

Top ten male gay icons:

1. Elton John
2. Freddie Mercury
3. Stephen Fry
4. George Michael
5. Oscar Wilde
6. Will Young
7. Alan Carr
8. Paul O'Grady
9. Boy George
10. David Beckham

Top ten female gay icons:

1. Judy Garland
2. Kylie Minogue
3. Madonna
4. Cher
5. Liza Minnelli
6. Marilyn Monroe

Heavens, I'm in shock as I can't be gay after all!!!! I don't like any of the so called gay male icons & would only choose Dusty & Marilyn from the female list. Now where have I put my Bette Davis wig & Mildred Pierce fur coat 🐻

How Kylie Minogue or David Beckham could be in the top 10 of ANYTHING is beyond me!....oh yes - the HYPE chart.

🙄 Mark, where DO you come up with these photos?? I'll bet you don't remember what Joannie was saying in this scene! She was saying, "Franchot, don't you dare speak to me in that Tone! No! I'm not having an affair with a woman! Yes, I know a gorgeous young starlet is standing next to me stroking my fur, but it's only because she's cold. You see, there's no heat on the set, Franchot. I swear, if you keep up these sordid, insinuations, I'm gonna end up as number 11 on some top ten gay icon list someday! Really Franchot! 🙄
