My apologies, I misposted the dates at Joe's Pub. Performances are Thursday, Friday and Saturday evenings. Oct 11, 12 and 13. Showtimes are correct.

Sorry for any confusion.

I might go to this. I'm a bit broke after last weekend (Chad and Jeremy on Long Island. I'm planning to post something about the show eventually.), but it looks good. There's some crossover with the people who did the Shaggs show a while back. These people can play ANYTHING.

DAMN I saw this over two months too late!
*"This rusty dusty heart of mine
How you've made it shine..."*
"When in doubt, turn the echo nob up!"
"So you're the little lady who makes all the music..."
