■ by [countrycake](#) » Wed Sep 25, 2019 4:30 pm

The UK recording industry has designated Saturday 12 October National Album Day. As part of the lead-up to that, there is a week of events planned. On Saturday 5 October there is to be an auction of 300 white-label LP test pressings. *Dusty In Memphis* is one of the albums being auctioned.

Fuller details of the auction can be found at:

Thanks for the head's up Jim, but I wish they had chosen Everything's Coming Up Dusty instead. I just can't muster much excitement for yet another DIM.
