I always look forward to this event. No spoilers until everyone gets their copy but the cover is gorgeous and co-incidentally, ties in nicely with our Dusty animal fund. A browse over lunch is in order.

Mine arrived this morning too!

I love the front cover and the inside back cover but the piccie on the very back cover looks like she's a roll of mints waiting to be unwrapped ... what IS going on with that dress?!?!

How does Paul do it....so that the US issue arrives on the same date as the UK?

Another wonderful issue. I thought of Matt when I saw the cover, of course.

Can't wait to sit down with it and read it line by line.

Know what you mean about the back cover Bev, it's like she forgot to take off her housecoat! Not the best look. There are some excellent pics in this issue and so good to see so many new (to me) ones.

I also think Dusty is cute as a button on the front cover but...the back..not seeing her face so clearly..my first thought is that she looks a little like Phylliss Diller  
🤔...sorry Dusty.

You can't mean there's pictures that are new to you, Carole!

Love the back cover, btw. LOL. Quite outstanding, really.

I read some of mine last night and part one of the Fred Perry article had me in stitches! Some of the comments made me laugh out loud, I especially liked this one :

"Sometimes I think that she was vulnerable, and sometimes I think she was as vulnerable as Attila the Hun." 🤔🤔

Can't wait for part two!!!

Mine arrived this morning. Well Done Paul, only took two days more to arrive than those in England. 🤔 What a great issue. Browsed through all the great photos and looking forward to reading the articles soon.

There are still pictures new to me Cor and I'm very happy about that 🙏 The cover in colour is new for a start, I've only ever seen it in b/w.

I think Fred Perry totally understood Dusty's personality. I know he wasn't everybody's cup of tea and he and Dusty had a bit of a fall out in later life, but I always get the feel that he thought the world of her. And he has such good anecdotes.

🙏 Had a little problem but now fixed.

My DSB arrived today and have flipped thru the pictures but not read anything yet. Love the back cover - she looks so happy 🙏  
Page 13 also pretty nice and front cover too. So many wonderful photos. The back cover doesn't do it for me tho.
