Yeah..got my Bulletin yesterday..I wasn't planning on reading it right away but as soon as I opened the wrapper..I couldn't help myself 🤩 ..once again, those big colored, Dusty photos always 'wow' me when I first see them.

Great 'Dusty Day' review from our Carole...almost a whole page..good job Carole 😊 .and Matt you'll be happy to see 2 pages of reviews on the release of 'Cameo'. ok , don't want to give any more away , in case others haven't received it yet.
happy readin' 😊

Been away for a few days but managed to pick up the Bulletin on my travels 🤷. The cover shot is gorgeous, the eyes have it, just wonderful and not one we've seen before. Paul will send us a jpeg of the cover to put on the site once our overseas members (excluding Paula!)have got their copies.

you know the funny thing is that for years, up here on the hill, we had the worst mail delivery...I guess our postal carrier was on long term leave and instead of replacing we were an 'overtime route'...meaning ..it was an extra route for another carrier at the end of their day! Mail came at 7:00pm at times if at all..a lot of us in the neighborhood were complaining due to lost or late mail.

Anyway, we have a steady carrier now who is a really nice guy ...nice to see I'm getting speedy service now 😊

I think we should ask Kathy or anyone else still waiting.....or at least ask them not to read this thread if they don't want a spoiler 😊

Thanks for that Carole, but DSB finally came late this afternoon, hurray! (I had checked late morning, because that's when our mail usually arrives but it wasn't there) Great cover! Am I the last to get it or is there anyone else?

WOW!!! I think that's the most 'real' picture of Dusty I've ever seen.
Incredible!!! It kinda spooks me 😬 - but, damn it's a great picture! 🗑️

I enjoyed reading the newspaper article written by Robbie Williams's dad, Dusty obviously made a big impression on him. And I do wonder if he influenced Robbie's taste as he was growing up, as when Robbie chose his "Tracks of My Years" on radio last year, he picked Dusty with I Can't Make It Alone as one of his favourites. In fact he absolutely raved over her. I thought I'd posted something on here at the time about what he actually said, but I'm blown if I can find it.

Nice to see the article on WHIDTDT, with Allee's comments included.

You can hear, Holly Palmer aka Cheesecake, who Allee is working with now - as Bubbles and Cheesecake - over in the Other Side of Life section :-)
