Does anybody have this article?

Sorry to ask for so much stuff!

But this looks like a really interesting article 😊

Thanks everyone 😊

LOVE MADS.

It's a very large article Mads, meaning that it's too big for my scanner. There is a copy of it in DSB 57 but even that's too large for my teeny scanner. Maybe one day, if nobody can copy it for you, I'll have a go at typing it. Come to think of it, I may even have done it already! It's the one where she admits to Ray Connolly that she can be as easily swayed by a girl as a boy.

Thanks Carole 😊

Maybe I'll try and get my hands on DSB 57 (with a bit of luck!)

Yes I think I have this too Mads, but I'm upside down at the moment, can't use my scanner, I will look it out when I'm straight.

Bravo Frans 🙄 Mads would probably have had to wait a year for me to type that lot out!

Frans-
I tried to copy this article for Mads but couldn't figure out how to get in in my rather small scanner. You are inventive and clever! 🙄🙄
Great stuff.

You're too kind, really 🙄 In hindsight, maybe I could've darkened the picture a bit, so you could read it better. Then again, you can do this yourself after copying and pasting it...

Glad I could help!
