Nov 18th 1964 (#p138845)

This was a day that I will never forget...The Odeon Exeter...Dave Berry, Hermans Hermits, Brian Poole and the Tremeloes andof course top of the bill...Dusty...long green skirt and hair tied back in a black bow with White blouse....amazing....and she ate at the Hamby Bar, nearby...Ham, Egg and Chips! Can't believe that it was 49 years ago today!

What a great memory to have, and I would have loved to be there, too!

That was the tour I missed out on 😞 It didn't come to Bolton or Manchester, I was only 15 and not earning. I'd seen the two previous tours but the nearest place this one came was Liverpool and I was another year older before I got to see Dusty there. I've blocked the feelings out of my memory but I can imagine how devastated I was at the time!
