I've looked at the Dusty 'bible' but for once it failed me. Can anyone please tell me if 'Oh Holy Child' appears on a non Bulletin Dusty CD?

I'm almost positive it only appears on one other CD, but it's a Christmas compilation CD, and it's in mono. Here's a link to the info about it.

The Bulletin CD has the stereo mix, but it's not double tracked as is the mono mix.

I'd like to hear that song right now. Dusty does such a pretty job of it.

Nance--Go put on that CD and get an egg nog with some good old southern bourbon. My dad loved christmas morning because he could have a drink early!

Ooooh! I never knew she sang 'O Holy Child', but I just downloaded it on iTunes and it's really lovely! Everything about it is fab - Dusty's vocals and the orchestration! 😊

You can download it on iTunes? That's so cool! It's such an obscure Dusty song, I'm rather surprised.

That's the actual CD I was thinking of when Humboldt posted this thread, Carole. So now we know it's on two CDs! Is it the mono version you have?

I have the original 45 version with Dusty on the cover sleeve with Jingle bells on the flip side. it was issued for the Dr Barnados charity for children. I cant access the info at the moment as my stuff is all in boxes as I am still camping out until my house is ready.😞
