Trying to find this answer for a paper I'm writing....today. 😞

I see that Gamble and Huff recorded Laura Nyro (with LaBelle) and also The Soul Survivors (white male group)--

Does anyone know if they recorded other white singers, male or female?  
Any other British singers?

They also produced an album for a white Philadelphia group called the Jaggerz in 1969.  
Below is an interview with the lead singer.

Okay, thanks all; I'll make sure my paper says Dusty was one of the 'few' or something like that.  
Or maybe, one of the earliest acts?
