Well I was wondering about ordinary things Dusty liked or disliked doing...

I had to go on school camp recently and I HATED it..did Dusty like camping or did she ever go camping? Like you know pitch a tent cook your food the whole nine yards...

Man I had a whole bunch and now I cant remember them but Im sure I'll think of them soon and get back to you lol!

I definitely can't picture Dusty doing that kind of camping, but yah, it would be great to hear about ordinary things she liked doing.

A couple I've heard are: she liked fast food and junk food. She ordered clothes from mainstream mail order catalogues.

Well she said she liked to go and watch the planes. I believe she also liked bags of donuts from Waitrose 😊 and coffee at Cafe Rouge.

I was told, though I do wonder if slight exaggeration was involved here, that she could be half way through the bag before she got to check out! 🤪

I seem to recall Pat Rhodes saying that when Dusty returned to the UK from Holland she, before moving to the country, had a flat in Southgate, North London, quite close to where Pat live's now. Dusty used to go shopping at Asda's in Southgate much to the amazement of her fellow shoppers !

Bless! Can't you see her fabulous hands gripping the cart or basket? And maybe she has on her sunglasses!

Then a voice comes across the paging system: Miss O'Brien, your fresh donuts are ready for pickup at the bakery!

Eeeek, am I veering off the topic here?

It is Nancy, it's part of the Wall-mart chain.....though Asda is known as a 'cheap'n'cheerful' supermarket over here!

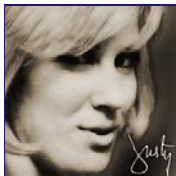

When I saw the suburb of 'Southgate' mentioned, I thought OMG, I used to go to School there before movin' to Essex!
This is new News to me about a flat in Southgate.....I always thought it was Amsterdam, then straight to Frogmill at Henley after the Cats had been quarentined!
If anyone knows the name of the road and block of Flats in Southgate I'll gladly take a picture next time I'm rovin'.....and I'll take one of Asda too!

Nancy - you have not lived if you've never had a white magnum! Its a Walls Ice Cream Lolly. Vanilla icecream covered in white chocolate. I think about 265 calories in each one, but who's counting?

Actually, the type of fat used in fries, donuts, etc is implicated in breast cancer and the doctors will make it very clear to stay away from those foods, totally. Birdie

Camping? I read somewhere that she was a tomboy as a girl, and "graciously retired from playing football at twelve" so maybe she enjoyed camping, too?

Heck, most people do their own shopping... don't believe me? Here's England's Finest, Oscar Winner Julie Christie shopping barefooted at a supermarket in L.A.

Life is like a box of chocolates.... you can eat yourself into Insulin Shock and still never find the Raspberry Jelly-filled one!!!

Did Dusty tint her eyebrows a lighter colour to go with the blonde hair? Although redheads generally have pretty light eyebrows...I do!

Did she ever have any work done on her teeth (braces, fillings, crowns etc.) or any dentristy stuff as a child? Or was she just NATURALLY that gorgeous? 🤔🤔🤔

she's so lucky! BTW i told her about the similarity, and re-named her "Dusty Teeth Lady" 🤔 she was honoured!

I've heard that with the clothes!!In the marriage of her secretary she bought clothes from the supermarket!!!When her secretary saw her she asked her why she was so simply dressed...?After all she was an artist and well known for her style!!And so she replied.."It's your day hon, you are the one to be looking at...!"That was Dusty!!!!

Yes, that is the lovely Pat Rhodes. There are some pictures on the website of Dusty in that "off the rack" dress. I'm sure Carole G, our resident expert can direct you to them. There are also some great pictures of Pat on the site too. She remains a very devoted Dusty fan to this ay.
