Harry asked on the DD thread about an Australian DD. Eoin Cameron of Radio Perth did an Australian Dusty Day via radio a few years back. He had guests talking about Dusty and played her non stop. Looking at this link, it would seem he had another day dedicated to her last year, maybe he's done it every year. As for get-togethers, other than this, I haven't heard of one but then I'm not in Australia.

Oh good old Eoin. Reminds me of my driving lessons with some old guy and all i listened to is ABC radio! Yeah i remember when i first liked Dusty, some chick at work was telling me about a Dusty Day that was on ABC and i was all excited, but i wasn't gonna listen to ABC, its like a full on oldies station. Then i found out about the actual Dusty Day in England... Yeah he plays Dusty all day i think. If it's on again, then i'll go and be the only young one there and be all left out lol but i'll take photos!! Dedicated...

I actually listened to that first one live streaming through my computer. It was so cool!
