it's about time we had a thread dedicated to the lovely Pat - so here it is! 🎁

i think it's great how she's stayed so loyal to Dusty, and how she continues to interact with the fans & help out with events such as Dusty Day.

here's a picture of her, taken last November 😊

Because she's lovely and *slim*, plus I've read Pat runs also.....that's why!!

There's a few photos of Pat floating around the threads (Wedding, back to back with Dusty, etc;) maybe an idea to post them on this thread?

Good idea Sophie.

I reckon Pat is the best friend anyone could ever ask for. I love the way she spoke about Dusty on the Little By Little series. She's a true mate, bless her.

I've only really seen her on the mini-documentary on the Albert Hall DVD, but she seems like a sweetheart, loyal, down to earth and telling it like it is. What's not to like about that? :)

Great photos :) Even if you'd never seen her before and you passed her on the street, you'd know she was 'someone'.

A little info on the one's Matt posted. First one is Blackpool 1966, the day I first met Dusty, 2nd is at Nelson Imperial, taken by two girls who were fan club secs and I think the 3rd is the NME concert in 1965, even though DWD says differently 😊

This one was taken at the Entertainer get-together put on by DSI. I wasn't there, this was given to me, along with 2 or 3 others.

Pat and Dust look similar, they could be sisters, I think. Or Pat could be Dusty's stand in. 😊

Thanks for posting them Carole and Matt 😊

Had not seen that last one you posted, Carole, Thanks!

The first one Matt posted I put up on the new website, as an illustration of Dusty's quote about leaving the UK because she had no private life. Of course I know she was thrilled signing Carole's autographs, but it has that kinda paparazzi look, as if Dusty and her party cannot escape the crush of the crowd. I also corrected the red eyes. I was going to use the piccie of Dusty running away but it was already illustrating Carole's story of meeting Dusty for the first time.

Message to Cas. Those first two pics I posted, (Dusty in blue), did I get them from you, and if so, do you know where they were taken?

Yes you did and I in turn was given them by someone else in the 60's. A feeling it may have been Judy but we all knew so many fans back then ..it could have been anyone. The only info I have is they were taken at the TALK in London in July 1968. Theres quite a few photos from that time.

Was this possibly the Moovie Star Talk performance/s you're speaking of?
