I have just been informed that Paul Hodgson passed away last night. Paul play guitar for The Echoes and for Dusty from 1968 till 1970. On Leaving the Echoes together with some other members became the band for "Hair" the musical. He had been sick for a while and passed away in hospital on the 4th February 2011. He was a lovely guy with a dry sense of humor and a very talented guitarist and musician. He goes to join some of his musician friends and Dusty in the great Orchestra in Heaven.

R.I.P. Paul

Your Friend Douggie.

I'm with you there Dave. Sorry to hear about Paul Douggie, I guess I would have met him in the late 60's. Friends keep leaving, it's all very sad.

PS: Can he be identified on the NME Poll winner concerts with Dusty and the Echoes in the mid 60's?
