James M Fabiano posted this on Dustyville--nice to have the transcription not to mention the still of Dusty which I don't think you've seen before! 😊

I have seen and heard this in video form...but Dusty didn't quite look like that in the video...maybe the still is capturing her essence...ooh la la...see all her faces, indeed. 😊😄

I'm pretty sure there's a video of this on You Tube--I think I found it while looking in vain for the profile of Dusty on the South Bank Show--hang on, I'll open another browser and see if I can find a link--

Just watched it and yep--that's her hairdo--she interviews them after "Twist and Shout."
