I was wondering...are there any full length shots of Dusty in her 'Nasa space suit' i.e. her outfit for the press release of Sometimes Like Butterflies?? I havent ever seen any....

And did she sing at the press release? Does anyone know?

Also...haha has anyone noticed Dusty had really cute ears? I saw a pic just this morning and noticed she had cute little elf ears, yet they're usually underneath her hair! But...I cant think which photo it was! But - Im a lookin!

I was at the press launch for "Sometimes Like Butterflies" and she mimed to the recording and then took questions from the press. She looked very odd in the "space suit"....not at all flattering!

Love Jonathan
