Since there are so many Dusty compilation CDs released (I think there were 8 new ones this year!), is there a particular Dusty photo you think would be good on the cover of the next one?

I like the way this is painted, and I like the strong colours. Arty, in a way. They could do that again. Though the cover for AVFL is not one of my favourites, since she looks like Tina Turner or someone, not particularly like herself. So it's a fine line... Maybe Tim could do it. (No pressure, ma

I have the perfect photo for a CD cover - I'll post it later - I'm on a different computer.

Well Corinna - if somebody asked me I would jump at it!! I could do it with purples & hot pinks. Superimpose some of her iconic faces over each other. She could have ALL her hairstyles AT ONCE then.. Hmm...Maybe not.

I don't like the cover of AVFL either - it's very good technically, just not an attractive likeness IMO.

AVFL doesn't quite look like Dusty, does it, and that's the problem.

Tim, we are asking you.

Luv no 1....and 2 - is that a fire alarm she's heading for?

No 3 - Fashion disaster time. I am so hating those sleeves - they look like deflated hot air balloons - and Dusty looks like she's juggling and has the balls..!

I pinched a few from the Rex site (which is why they're so titchy) that I think would make perfect covers.

not original, but still lovely

The one of her in the fashion mistake is such a great pose for a cover though! Super-impose a different outfit? 🤔👍

Or what about the one from 1972 where shes in the tightish pants and her hair is longish kinda shag look - my photobucket is down! 🙄

How about a design-your-own compilation contest? We could pick, say 14 tracks and design sleeves...or am I the only one with that much free

Track listing:

Wishin' and hopin'
A house is not a home
I just don't know what to do with myself
In the land of make believe
Another night
Anyone who had a heart
Long after tonight is all over
They long to be close to you
24 h from Tulsa
Always something there to remind me
This girl's in love with you
Wives and lovers
Knowing when to leave
The look of love

I think Fraser did a CD called 'The Lana Sisters, The Complete Collection' containing the tracks you've listed.
