Dusty wore beautiful earrings.....also, ones that looked very heavy.....does anyone know if she had pierced ears?

For some reason I missed this originally. Dusty didn't have pierced ears, Simon says 😊

Finally found this thread that shows some of Dusty's earrings that Janice and Laura and I got to try on. They weighed a ton! It also has a link to another thread with similar photos.

That's too funny. 🤔 We were watching that clip last night and I said, ooh, earrings in the 60s, gotta post that in reply to Josh's comment!
