Someone mentioned this on another thread but I thought it deserved one of its own...

If you saw Dusty in concert....did you write down the songs she sang and the order she sang them in? I know I saw a list from one of the Cs on some earlier thread/topic.

Might also be nice to see some of these lists from TV shows too.

Dates also, please ladies and gentlemen.

If you can only remember one or two songs she sang, chime in with those as well.

Then we will have MADS make a chronological list of all of them for us. 😊

We never really kept records of the songs Dusty sang although Carole and I wrote letters 2 or 3 times a week I bet and if we had them all we'd have such a lot that we could tell you...this is the only time that I wrote down the songs and the order...CASTERWAYS Jan. 20th 1968. Dusty was her usual superb self.

I must have been nervous cos I always felt my writing was a bit neater than that!!

I still think you need to go into your loft and look for those letters!

When Dusty appeared in Merry King Cole, as reported at the time, she wasn't going to be wearing tights and slapping her thigh 🙄, she was appearing as herself. Her set list as far as I know was:-

- Nowhere To Run
- Reach Out I'll Be There
- IOWTBWY
- Goin' Back
- YDHTSYLM
- Shake

.....and The More I See You and Yellow Submarine, for which a large screen came down with the words on, and Dusty pointed at them with a big stick so that we could all sing along. What fun 🙄

Although I was there on the last night I don't recall the exact playlis, but according to Fraser's CD, the running list for Drury Lane concerts was:

Orchestral Introduction,
When You Leave / The Bitch Is Back
I Close My Eyes And Count To Ten
Be Somebody
Save Me, Save Me,
Sandra
This Will Be (An Everlasting Love)
The Man With The Child In His Eyes
I'm Coming Home Again
We Are Family / I'm Every Woman / You and I

Medley of Hits: I Only Want To Be With You, Stay Awhile / Just A Little Lovin' /Some Of Your Lovin' / The Look Of Love / Wishin' and Hopin' / I Just Don't Know What To Do With Myself / All I See Is You

Medley: Brand New Me / Son Of A Preacher Man

You Don't Have To Say You Love Me
Quiet Please, There's A Lady On Stage.

Fraser issued this CD to raise funds for the Dusty Springfield Rose appeal.
