Is it from the german special available on a DVD on this site (1969-1993)?

If it's no, what songs are on this DVD ?

Thank you to answer !

Samuel

Thank you, Cor. The quality of the image is it good ?  
The price for the Canada (Quebec), is it the same as for the USA (\$17,00) ?  
Yes, I am tempted by this DVD but from UK to Canada, the travel is long and it can crack in road.  
Is there a guarantee ?  
I'll think and I hope I not bother you with my questions.

Samuel 😊

The quality is slightly better than the video you posted. The price is the same, yes.

I'll pack the DVD carefully, but should it break in transport, I'll send you a replacement.

How does that sound? 😊

Thank you, Cor. It's perfect. I'm not ready to buy the DVD now because I wait the DVD Just Dusty: The Real Dusty Springfield in the coming days. When I'm ready, I'll tell you.

As you know, I'm French Canadian and Sacree Soiree and Tele-Bingo are french program, no? Does Dusty or other people speak in French?

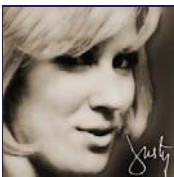

Thank you again.

Samuel 😊

Sacrée Soirée has indeed a little introduction in French. Dusty is just singing on Tele-Bingo, there's no talk at all, so I couldn't say which country it's from.

Enjoy Just Dusty! And when you're ready for our DVD, you just let me know, okay? 😊

Tele-Bingo was a Dutch television show she performed on in December of '79.

Don't trust the info on the DVD menu though, Taylor. It's got the

countries quite mixed up. Sacrée Soirée, e.g., is listed as a Spanish show, and the German "Mensch Meier" is listed as French... 🇫🇷

Oh, I wasn't looking at the label, Cor. The Dusty 'bible' said she performed 'Baby Blue' twice in December of '79. The first time was on Tele-Bingo even though (as Paul Howes says) it was only available as an import single. The other occasion was at the Royal Albert Hall concert.

Hi, Corinna. I have other questions.

Canada  
47 Posts

How can I pay for the DVD and what is the exact price ?  
How long do you think the DVD can take to arriving at my home ?

I read somewhere that the German special contains 8 songs.  
Apart Love Power and Ain't No Sun Since You've Been Gone, what are the other songs ?

Thank you for take the time to answer me,

Samuel 😊

From my experience, mail to Canada takes about a week.

I'm not at home right now, so can't access the DVD to answer which other songs are on the German special. Can anybody help Samuel, please?

Sorry if I don't understand but I don't know how I must proceed to buy the DVD.

The eight songs are:

Son-of-a preacher man  
I close my eyes and count to ten  
I think it's gonna rain today  
Ain't no sun since you've been gone  
The windmills of your mind  
Love power  
Come back to me  
Just a little lovin'

Sunny is playing in the background while the credits are rolling by.

Thanks Frans!

Samuel, the best way is to send 10 GBP by PayPal ([www.paypal.com](http://www.paypal.com)) to our Rob at [robwilkins\\_99@yahoo.com](mailto:robwilkins_99@yahoo.com). Don't forget to indicate your name and address.

As soon as the money has been received, Rob will notify me, and I'll send the DVD to you.
