RAH- were you there? (#p110253)

by **Beautiful soul** » Mon Jan 21, 2013 6:09 pm

While watching the RAH DVD recently, I became curious about the shots of the audience. I'm wondering if any of you were there that night, and if so, what do you remember? How about Drury Lane? Thanks,Connie

So true, I look at the crowd and I wonder what happened with the man who Dusty gave her cup to? Where's the cup now :)

Or all those people who rushed the stage and the one woman got on the stage and hugged her-- where are you? I'd so much like to hear about what it was like-- however at least in the bonus section we get to listen to Pat and Simon talk about it. C

The woman who hugged her onstage probably died of happiness. That's my guess anyway.

I'm sure you are right Maggie, I never thought about it like that. 😞
Maybe one of the experts could identify the blonde woman who
Was in the last scene in the dressing room. I believe she is also in
a photo taken of Dusty, Carole Pope, and I think Nona Hendricks.
It was around the rough trade farewell era- I think she was with a
Record company- not certain tho...I'm sure someone has that pic-
I don't even remember where I saw it. Not my favorite era.
Lastly, wasn't Dusty great singing "leave again"? Subtle perfection!!

Dusty didn't meet Carole Pope until more than a year after RAH. The woman backstage was a PR person as I recall.

i have posted before that I was there that night as well as Drury Lane. Also at Talk of the Town on the night she was so ill.

I have managed to catch a quick glimpse of myself and a couple of friends as we rushed to the RAH stage!

I did know Dusty hadn't met Carole at the time of the RAH concert, I just remember thinking the woman in the dressing room looked like the one in the later picture- not saying it was the same. Just wondered who she was, I thought I read she was PR for a record company. I agree With Nancy-- got some memories to share? Thanks everyone, I appreciate your help! Connie

Just a quick note.....I believe the blond girl who hugged Dusty in the dressing room was from Phonogram

Oh and I met Annie Lennox at RAH (before her fame and fortune) sadly Dusty did not have time to talk to her!!

One of the 1968 shows was aired by BBC (to my understanding, the first colour programme of its kind) but it appears the BBC wiped the footage and it has yet to be recovered from foreign transmission. Some photographs from it have survived and been used for various products. An audio recording (domestic or audience sourced?) survives and is listed in the "A Song for You" section of this forum.

To my knowledge the ill-fated 1972 appearance was not recorded.
