[RAH and Dusty ?](#)

by [pat.dunham](#) » Wed Apr 30, 2014 9:07 am

Here's a nice puzzle for you all. Pop artist Sir Peter Blake has made a triptych of over 400 people who have appeared at the RAH. This of course covers a multitude of persons from scientist, singers, sportsman, evangelists etc etc. Let us hope that Dusty is among them as she made several appearances there. Here is the web page for RAH and I leave you to hopefully find Dusty. Please post if you are successful and tell us where she is. If Dusty is on it will be a permanent memorial to her.

PS Glad to say I've found her. Let you know later!

I found her, Pat. Sitting next to James Brown and wearing the outfit that appeared on the LP sleeve *Sings Burt Bacharach and Carole King*.

Thanks for posting the link.

Too bad they chose a picture that is not one of her iconic looks.

Maybe not an iconic picture but it is in colour and quite prominent. Others in black and white like Petula and Julie Andrews are much harder to find. I did not see Dusty straight away as I first saw Peggy Lee (centre bottom between Grace Jones and James Galway) and thought it was Dusty, an easy mistake I think. I'd rather see the world the way it used to be.....

I started a thread before realising there was already one open (now deleted). Here is a link to a report from the Independent on the unveiling.

I think it would have been more appropriate (even though Dusty appeared there on other occasions) to have had a picture from the 1979 concert but I do agree that the yellow makes her stand out.

Trying to place this picture of Dusty, discovered it was from TOTP 1970 singing "Morning please don't come". See picture in Sharon Davis book. I'd rather see the world the way it used to be..... ..I'm goin' back.

I'm thinking the original photo wasn't very sharp to begin with 😊

Your right Karen, could have been a better pic--but at least she's represented. 🌹

Agree with all previous comments. 🙄 While it's lovely to see Dusty being represented. 😎 If they must have Dusty in yellow why not just use the pic that Jim mentioned earlier.

Dusty actually appeared on the RAH stage in 1969 with a similar look to the one in the photo. It was the Save Rave concert, I can't find a colour shot but I think all that was different was she changed the jumper for a shirt.

Thanks Cas for reminding me that I also had that one - somewhere! I found it filed under suede suit along with this one 🎧

Oh! Yes I have that one too, but where? 😊 I think the outfit benefits from the shirt, it looks nicer to me.

great to see her in this and at least she stands out. but then she always did.. 😊

I have a copy of the save rave programme but its not accessible at the moment as I have packed everything under the stairs waiting for a new sideboard to arrive.

I also love her in the suede suit,she looks good.

I love that she is by Johnny Mac and of course Victoria...

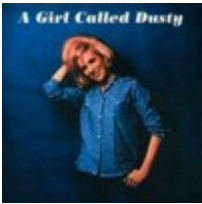

she is in great company at the RAH. most performers seem to choose that and the Palladium as the most iconic venues to appear at. 😊

"every day I find you're in my heart and on my mind"

"she was the very essence of fabness"

" its nice to rest for awhile thank you "
