### ROCK & ROLL HALL OF FAME (#p88680)

by **krupert** » Mon Feb 20, 2012 8:36 pm

Finally got to the Hall of Fame ! Really no excuse for me never going before as I Only live a little more than an hour from there.. 😞 Just thought I'd post a couple pics. & my thoughts from the visit.....

IN SUMMARY...I had a GREAT time 😊 Got there I think about 11:00 a.m. & before I knew it they were announcing closing time at 5:30, fortunatley I got the whole way thru with the exception of a couple 10 minute movies in the mini - theatres.

The architecture is cool 😊, about every geometric shape known is incorporated into the design somewhere...here's a pic from the west side....

(./download/file.php?id=8253&mode=view)

Went in from the back of the lowest level & by the time I got to the escalator I got

p.o.ed when I saw signs all over stating "NO PICTURES OR VIDEO ALLOWED". ( Jeffery, got your msg. & don't recommend taking any pics, although I didn't see armed guards or anything they have a lot of employees scurrying around there & "spotters" sitting in some exhibits). GREAT time none-the-less- six levels of everything rock.. 🎸

As we already knew DUSTY wasn't in the Women of Rock exhibit 🤔 that I guess only bothered me a little until I saw it; I Mean Aretha was there 😲 What The Hell 😡 I finally found DUSTY in the "London to Liverpool" Cities of Rock exhibit, but only a jacket (Grayish small square "plaid" with upper & lower black pockets w/ greenery & red ?Roses? on them) circa 1967, & a Concert poster with her as top billing. You can also Read her bio. & listen to her music on headphones at the Inductees' area. 🎧

On the way OUT I did take a couple pics . anyway - Hey (Nancy) I've been waiting months to debut my new shirt 🌸 The coat check lady didn't look too happy as I was Supposed to "Check" the camera on the way IN. 😞 OH WELL , these pics. weren't taken as planned in front a a nice DUSTY display, but got a couple anyway.....

Thanks for that report on your visit to the Hall Of Fame, Ken.. Great pics. 😊

Sounds like the Dusty' exhibit is rather downplayed.. 🗣️ Was it disappointing? 🤔

So, who else was featured in the London To Liverpool section.? 🤔

By the way, you look mighty fine in your Dusty shirt. 😊 ⭐

Hiya Ken, only just seen this, glad you had a great time and found Dusty there eventually! Yeah she definitely should be in the women of rock bit, who else was there (apart from Aretha)?

Love the t-shirt 🤔 😊 It looks dead warm and sunny there, I'm well jealous 🤔

Carole, Sara, Thanks, Yeah I was at first unhappy that DUSTY had little recognition BUT Her being there PERIOD kinda says it all ! There are Many Other Great artists there as well that don't have a huge display either....They only have so much space as we do at home & I think they do a marvelous job....London & Liverpool had 1963 - 66 artists Beatles, Yarbids, Hermans Hermits, Zombies, Petula Clark, DUSTY Gerry & The Pacemakers & others.

Women of Rock Touched base on All Decades & Styles, 60s Shangri-Las, Ronettes to Janis Joplin & Carole King....70s Joan Jett, Donna Summer, Tina Turner...Later Madona, Cyndi Lauper.....& MANY MORE...These are just a few I remember.. By the end of the day my brain was way past overload ...Really Cool Place....!

There was a basketball game that eve. so I decided to Loaf around Cleveland a little before attacking the Interstate Traffic...Glad I did... By Nightfall I Really DID have the feeling that Cleveland Really IS "The Heart of Rock & Roll" !!

Thanks for the further info, Ken..It looks like a great day out.

👍 Hey Ken glad to hear you had a good time. Thanks for the tips. I heard it can get busy there.

🤔 Lots of people passing thru.

If Cleveland ain't the heart of rock n' roll then it's at least a main artery.

Hall and Oates claim it was essential to the success of their career. 🤔

And the gals are right. You look mighty sporty with Dusty on your shoulder. 🤔👍

I too have only just spotted this due to Karens post. Fantastic pics Ken, looking good in the Dusty T shirt. Shame Dusty wasn't promoted a bit more from what you are saying.

Thanks for the report and the pictures Ken, good to see you're getting some use out of your shirt 😊 Didn't Carolyn go there recently? I think she felt the same about the small Dusty exhibit as you did.

 Greatings rengo !

Elton John spoke for her induction ceremony saying:

" I think she was the greatest white singer there ever has been." 

I searched for you, but sorry I couldn't come up with a video.
