Thank you for the link Carole, definitely one to own, can't wait to see not only the whole video, but also the 'rare' photos.

oh thankyou Carole that was a real taster, I cant wait for this now. Simon and Madeline are such loyal and consistent voices in her corner, she was truly blessed to have them around her.

Totally cool! 😊 And the sound on her performances is so clear. I can't wait for this Dusty treat. Dusty looks perfect in 1967. 😊 And she's lovely in the 1978 interview too.

Even Madeline says Dusty was 'a mimic'. And Madeline says she is a mimic too. Then she goes straight into telling us what a great interpretive vocalist Dusty was. Vicki says the same 'mimic' thing about Dusty. Maybe it's because Dusty said it herself! All I can hear is a superb singer who studied and totally mastered her craft. I go with Simon Bell...every word. And Madeline is a great singer too!

Ooh this is going to be a great DVD! 😊

Thanks Carole 😊
