The page says only one vote - but I went back in and it went through... not sure if it counted.

Kate Bush is getting way ahead of our Dusty !!!!!

As of right now:

Kate Bush has 40% of the votes

Dusty: 25% 🙄

Dusty had a BIG lead early on- in fact Kate Bush wasnt even #2.

I think Kate's fan club got wind of the poll...

Its a two 'horse race folks! 🤔

With the old adage "All fair in love and Polls" in mind, I voted quite a few times 😞, but unfortunately Dustys percentage didn't change. 😞

Kate is gonna take some catchin!...P'raps we can trip her up as she's 'Runnin up that Hill'

Thought I'd bump one more time.

As of right now it's

Kate Bush - 57%

Dusty - 24% 😞

🙄 I'm thinking maybe Kate Bush's people organized the poll to begin with. The results make little sense to me.
