I was looking through a copy of 'Goldmine Price Guide to 45 RPM Records' in a bookshop and I was surprised to see listed a 1978 US single release by Dusty of *Sandra* c/w *Checkmate*. The single label and serial number was United Artists XW1205.

Has anyone ever come across a copy of this single? I had thought that United Artists released no US single from *It Begins Again*

I think the Dusty bible says that 'Sandra' was under consideration as a single, but eventually 'Give Me The Night'/'Checkmate' was issued instead. It says that 'Checkmate' was the only song from IBA that was ever released on a single. Maybe some copies of 'Sandra' were pressed but not released?
