Something Carole said - about Dusty's wigs.

I take it these have long since disappeared?

Wouldn't it be amazing if Cilla, Sandy or Lulu were in an attic somewhere...or an LA lock up...☹

I think it would be quite weird to hold Dusty's hair!

Haha obviously not her real hair...but something that would have been on her head....haha how weird!

Laura has worn the pink boots, too! There is photo proof of that somewhere.

Mary,  
You probably used all your courage to speak up & ask her to be in your video...which was amazing. I get really shy w/ celebrities & can barely get any intelligent words out.  
Be proud of yourself for your video w/ Dusty...its something nobody else has.😁...there's always something you wish you had said or done in retrospect.

My feeling is the wigs probably by heat, age, etc; disintegrated over the years, and were simply discarded, cold-storage would have been the place to store them.

I think it would've been so cool to hold one of dusty's wigs. It would feel a bit weird though. Hey! Maybe we could get one made in a dusty style and make carole wear it 🤪

Hmm, I know cold storage might be the best place for a wig. But along with Pam's Oz Archive, when I opened the trunk I found one of my old wigs from the 60s just chucked in there. 🤪 I reckon with a wash and a style, it will be fine again-- it doesn't seem to have deteriorated in the last 40 years as much as me! 😊

Mary, you are so lucky to have this video. I love it..What a gem. You must be quite short as Dusty who was 5"1' appears to be taller than you.

Hi Mary -

I saw your video on YouTube and I was thrilled; that must have been such a special moment for you, and to have it recorded on film!!!
