The short hair is definitely all Dusty's own, she would add pieces to it at the time but often wore it just like in the picture. It was similar for wedding. The second pic (that is Pat behind Dusty), was taken in 1991 after the court case against Bobby Davro. Dusty accepted an out of court settlement, said to be £75,000.

😬😬 As you can see on that wedding picture how frail her real hair is, and the color one there's too much hair on it, that's why I say it's a wig. I know from experience..

Actually Cas, I think most of her full wigs were pretty obvious, it was when she wore the false pieces that it was sometimes difficult to tell were false and which were real. Pat insists that Dusty didn't often wear a full wig, but I've just plucked out three photo's as an example. A always on the side of the bigger the better 😊

I've a feeling that I may have posted this on the net a good while back. There was more than one taken at the time and I think they were the fan club, which would be why we both have them Cas. There was also the full length b/w one. That's the one I have signed. Dusty the dress made her look fat....but it didn't.

Aren't we a critical lot on here, well I'm a virgo, noted for being critical. But the eyes are wrong, the nose is also wrong. It makes the pictu like an alien or someone whose plastic surgery has gone badly wrong. The nose slopes up when it should slope down, and the lips don't slop enough.

This is the picture it's taken from I think, Cas's favourite. The eyes are difficult to get right on here I would say, in defence of the artist.

Looks like it must be the return from South Africa. It's Best Foot Forward Dusty!

I've never seen the photo before. Thanks very much, Cas. 😊

Another, although the clothes have changed slightly. Cas's photo was taken at Cape Town airport, Dusty seemed to have changed shirts b her press and TV interviews.

Cas, the one you posted, which I missed seeing on Ebay, was used in the Definitely Dusty documentary when they were talking about Soul knew it was around somewhere. Thanks for posting it.
