The one with the bloke with his thumb stuck up, Wendy! 🤔 The photo with Dusty with the mike has more animation in it than the one that one). I think a head and torso perhaps of that one (minus the background and guy!) would be great. What do you think? 😊

Hey Jonny!

I am pretty sure the TOTP photo is Dusty singing 'Brand New Me' because there was a big who-ha in the media about her wearing a hideous Girl...months ago someone posted an article about it which included an interview with Dusty...

Posted - 22/02/2008 : 18:13:51

Makes me think of when I saw Dusty and Martha at the Brooklyn Fox Theater, Martha did Dusty's back ups vocals on stage. At the end of together, Martha and Dusty were together looking like they were having a grand old time.

BTW, it's also been said that Diana Ross was a bit annoyed over all this.

Errrr Jonny....i really hope you don't think I am 'taking the piss' (excuse my language!) or patronising BUT i am pretty sure those photos we Harris Show (broadcast 13th Jan 1968) not TOTP in 1969...

I have seen a photo somewhere, possibly in one of the Dusty Springfield Bulletins within the past two years that had a black and white shot TOTP...it was def not the photos you've posted...

I'll try and find 'em although I am pretty sure all my bulletins are at home, I am at uni at the moment etc

Jonny, the pink dress ones are I think from the BBC's Music My Way in early 1973. One you posted earlier of Dusty in a yellow short dress is 1966. I can't confirm that it's really TOTP's but it's definitely '66 and she's more than likely singing Goin' Back.

The red wig is the pic I already posted in b/w. A flat "page boy" style. There is a pic of her in colour wearing a gold trouser suit but I can't
