I always appear to be the only one who doesn't mind this look, even Dusty said that her hairdresser had made a mistake.

Yes I did and I think others were found later on, some of my recordings had a buzzing sound , the tapes were sent to Paul Howes who managed to improve a lot of the tracks. Fraser also used my tapes, and we from these guys expertise. Off topic a bit, Nancy and Cor will shout 🗣️

Though on the adjoining pic I'm a little concerned about what Daniella Bianchi is planning to do with those Pliers in her hand!! 🤪🤪🤪

Love the colour shots you got of Dusty and Burt, they've already had a print. She looks stunning in the close up on her own, love the hair

The Manchester ones are great, I'm presuming it's the Golden Garter, though they could possibly call Cranberry Fold Manchester. Could I be audience? Maybe. Same could be said for Cas and Moira, though I don't know if we were together at those shows. Love the sleepy one and laugh in the first one, I think maybe someone just paid her cash!

Johnny,
Just to set the record straight.
Although 'Price' is a common Welsh name, Alan Price is actually English. He was born in County Durham and educated in Jarrow, South Tyne (Wikipedia).
Of course best known as a member of 60s 'Geordie' group, the Animals.
The photos are a great find though. Thank you for posting them.

Something like the shadow of a butterfly
And lies beyond the gates of dark and light
