I love these too. Thank you. It's so interesting the look you get a Dusty with these v. the more posed pics.

Her face is such an interesting study!

You really highlighted her star quality, Rob!

And she looks so sophisticated in the shots with the purple jacket that Mads took. And I can't remember which song that was right now! (Nothing has been proved?) 🤔 But the hair is fab!

I don't know about anyone else but the second picture didn't load when I went back onto it. If it doesn't for anyone else then let me know and I'll repost it.

Do you happen to have any stills from her performance of Look Of Love with the full outfit ? That's one of my favourite things she's ever worn, although some seem to not like it.....

I thought it was great!
