### [Songs I Would Love to Hear Dusty to Sing...](#)

by [cMdM333](#) » Tue Mar 11, 2014 11:27 pm

hello,  
i was listening to some of my favorite music and thinking...  
what are some songs i would love to hear Dusty sing...  
these are three that i thought of rather quickly...the list could go on and on...  
but, here goes:

i can't make you love me (originally recorded by bonnie raitt in 1991)  
lovesong (originally recorded by the cure in 1989 and later by adele in 2009)  
and  
the heart remains a child by everything but the girl in 1996

can you imagine what Dusty could do with these songs?  
ahhhh...what a fantasy...

Hello there-I think I would have loved to hear Dusty sing just about any Adele ballad. Lots of times if I am listening to the radio and hear a song, I think wow Dusty could have done that one. But I can't remember the names.

Hi Christine - sorry if it seems your post is being ignored but a thread on this topic was initiated last month:

And there was an earlier thread that ran for four years before slipping off the radar.

ahhh...i see...i'm too late...

at some point i've listened to most of the songs Dusty sang and then listened to someone else (usually in iTunes) singing the same song...i think i've listened with an open mind but i cannot think of a song that Dusty sang that wasn't much, much better than anyone else...i think she sang with more soul, intellect, depth and understanding...i'm very happy that she recorded as much as she did...just like to imagine her singing so many others...
