### Songs That Influenced and Inspired Dusty Spingfield (#p157233)

by **countrycake** » Sat Jul 26, 2014 2:59 pm

This is the title of a various artists MP3 compilation album issued yesterday in the UK by MVE, about which company I could not find any information.

Some of the songs were recorded by The Lana Sisters and The Springfields. A couple of others were songs that Dusty did not issue a recording of, such as Up On The Roof and Since I Fell For You. Some of the artists chosen to represent the song are quirky, eg Shirley Bassey for Second Time Around and Sam Cooke for Far Away Places.

Amazon UK is selling the 15-track album for £5.49.

We have several releases of this type all acknowledging Dusty's superb choice of material she chose to record or sing live.

I cannot think of any other singer who is recognized in this way. This surely proves she was ahead of her time and just what a legacy she left proving her influence on so many aspects of today's music.

I wish they could include a second CD of Dusty's actual recording / or live performance of such songs to show how superior (in most cases) her versions were.

Why do we not make our own?

Thanks Jim. 😊 Some good tracks there, not bad for just over a Fiver, might be tempted. 🍷
