Thanks, Joe! I'm very touched. 😊

The friendships that are created here, everybody's friendly & fun spirit and generosity make the work involved worthwhile!

... and without the selfless efforts of our mods - Carole, Tim, Sophie, and Kathy, where would we be! 🙄

I may not say as much as others, but I do try and log on every day.

THANKS EVERYONE FOR KEEPING THE DUSTY FLAG FLYING.

Thank you so much for your appreciation and sweet comments 😊 It is fun running a website at most times when we have a great group of people and when it is generally peaceful. Sometimes it isn't easy, so your heartfelt comments really makes the team know that our combined efforts are bringing others happiness and somewhere really nice and sociable. It is a pleasure to help run such a site, I feel this has to be one of the most friendly places on the web.

Thanks to the team I work with, Nancy, Cor, Rob, Carole, Tim, Sophie and Kathy you are all legends and I love working with you. Also many thanks to Pianoman for starting this. I know some people better than others, but it is always great to get to know more people along the way and establish new friendships. If it weren't for you joining guys we wouldn't have a forum, so everyone here is a huge part of this community.

Love, Laura xx
