Is this the closest Dusty got to the Phil Spector 'Wall of Sound'?

Certainly sounds like everything but the kitchen sink was included in the production.

Why don't cha have a listen?..and comment if ya like.

Very Spectorish!

I think it was Creach who got me to hearing those marvelous bells.

I may be going mad in my old age but I am sure I remember the record was reviewed on the sunday morning show (cant remember the name) and I am sure Phil Spector was one of the reviewees and that he said he Maybe I have completely lost it or I am just fantasising!! I do remember John Lennon saying waht a great track it was and how under rated it was
