One for you Cor, though you probably already know

More names Stockholm pride.

On Wednesday evening Jill Johnsson will join in on a Dusty Springfield tribute project in Pride park. On Friday evening, 90's night, you can see E-type and Pandora among others and on Saturday evening Andrès Esteche will be one of the attending artists. http://www.stockholmpride.org/2009/Artister/lista/Dusty-Springfield-tribut/

I've started a thread on that somewhere, probably while you were on holiday...

Lol... not the most iconic picture they could find! Caption, someone?

Marc Almond is coming too, btw.

Caption: No matter what your size boys, you're welcome at Stockholm Pride. 🐻

Sorry I couldn't resist--it was the first thing that came to mind. 🐻 I'm going to blame it on John, Will, and Brian. 🐻

The articles are coming in... the tribute is on Wednesday. Though you won't understand much, it's always nice to see a Dusty pic in the daily paper. 😊

Thanks for your messages, everyone! It's been a marvelous tribute concert, and I'm still smiling. 😊

The weather was fabulous, the crowd was enormous, and the artists were at their best, giving it all for Dusty! Some of you may remember the review I posted last autumn about the tribute concert "An evening with Dusty Springfield", and the 12-piece backing band and the artists were similar, though even more, and among them several of Sweden's most popular artists.

The concert started with **IOWTBWY**, and continued with a string of Dusty's hits (in no particular order cause I didn't take notes), **Losing you**, **Breakfast in bed**, **IJDKWTDWM**, **YDHTSYLM**, **The look of love**, **Yesterday when I was young**, **I don't want to hear it anymore**, **Son of a preacher man**, **I can't make it alone**, **The windmills of your mind**, **In private**, **WHIDTDT** and the surprising choice **What's it gonna be**. The evening was concluded by the early demo version of **Don't forget about me**. It's possible that I've forgotten a song or two, the concert lasted for 1.5 hours, and consisted of one highlight after another. 😊

Here are some of the artists (taken from the net, cause I didn't take any pics myself):

Rebecca Törnqvist

Anna Maria Espinosa

Titiyo

It was, Will, and I wish you could all have been there!

Here's a picture of Pride Park, to give you an idea of the size. It's a football field that's converted for Pride Week. The main scene (where the Dusty tribute took place) has the brightest lightning. 😊

Pride is all over town, though. There's Pride Garden and the Pride Seminar Centre in the middle of town, so you'd have to be blind and deaf to miss Pride. 😊

I was about to post wish we could have been too when your post came up

LOL - it looks great x

I still like Daffy Duck. Can't think of anyone I like better. Actually that's who I'm having an affair with. Difficult but rewarding!

I think it's wonderful that Dusty gets honoured in such a way. Good on Sweden 🙏

Sounds like a wonderful tribute to Dusty, Cor and I was surprised to hear less well known songs of Dusty's were played such as I don't want to hear it any more etc which is great. What a great use for a football field!! Well done Stockholm and the pride organisers. 🙏😊
