With Teena Marie's recent passing, The Grio was inspired to compile a list of who they consider the best 'Blue-Eyed' soul singers of all time.

Guess who pops up first... 🤖 😊

the only real surprise for me is Hall & Oates are missing.

😊 Yeah ! Where's Hall and Oates ?

John Oates has brown eyes, but Daryl Hall is definitely blue eyed.

Agreed. They got Dusty right, that's about it. Hall and Oates should have been second.
