[TOP TRUMPS DUSTY!](#)

■ by [Dec Votion](#) » Sun Aug 17, 2014 6:33 pm

A friend gave me a collectors card for a Manchester happening this week to coincide with all the Pride celebrations and it features Dusty. Now you may remark on the scores on the card! But it is a lovely tribute and in the mini-biog they also herald Dusty as a Record Producer (Respect). To coincide with this fact there is a lovely tribute here by Mark H. Evans who discusses the parallels of his life and Dusty's in the latest blog over at 'Drunk at Vogue' which features other articles about LGBT people who have been an inspiration to many.

Not quite sure if I agree with the Hot Body number. I believe I would have to say 100!

But a very nice tribute in every way.

I've already added my twopenneth on Facebook and upped her Wit score to 100 🍷 Other than that, a nice tribute 🍷

There's a part of you, that's a part of me...

I like this card! But all scores should be 100. 🌟

Sometimes Dusty's photos resemble someone else. At least to me. I've always thought this photo looked a little like Burt B wife Angie. Great card!
