TWO FANTASTIC PIECES OF NEWS!! (#p104254)

by [Corinna](#) » Tue Oct 02, 2012 9:35 am

 Image **It's Let's Talk Dusty's 6th anniversary!!**  Image

 Image **We have some fantastic news to announce!**  Image

Firstly, we are honoured and excited to announce that **Nancy and Carole G** have been handed over the **Dusty fan page on Facebook!!** It was started by Universal on the occasion of the release of the box set last winter. The page has to date **76,000+ likers**, so each post they make has a tremendous impact. Recently, someone posted on that page that it looks like it has been taken over by someone very loving. That's not only high praise, but indeed, it's the truth! 😊

Bravo, Nancy and Carole!! 🙌

Now, some of you don't have Facebook, and will wonder how they can check what's going on there... That's where the second piece of news comes in!

TA-DAAAAA!! We're proud to announce the release of **A BRAND NEW WEBSITE!!**

Our website has been **completely re-vamped** and has some fantastic new features:

- **Dusty picture of the day** - Every time the page is reloaded, a different Dusty picture comes up. To date, there are some 300+ pictures, and more are added continuously!
- **Latest News** - Keep up to date with what's happening in the Dusty World by checking the site regularly!
- **Facebook and Twitter feeds** - Even if you don't have Facebook or Twitter, you can follow what's happening there through our website!
- **Latest Forum Topics** - See what has happened on the forum lately!
- And of course **Dusty music, videos, photos, events and fan activities!**

- Last but not least: The [design](#) of the website now matches the forum very nicely!

★ **Have a look:** <http://www.dustyspringfield.org.uk/LTD/>
(<http://www.dustyspringfield.org.uk/LTD/>) ★

The website has been designed by me, but stands solidly on the shoulders of Nancy, Laura and Will, who have designed previous versions and created much of the contents. My deep gratitude to them for their fantastic and ambitious job to keep Dusty's legacy alive and accessible! 🙌👉👈

But, at the end of the day, a fan forum and a website would be nothing without loyal and passionate fans, who keep spreading the Dusty love with their engagement and enthusiasm! 🍷

👉 **So, here's to all of us, on Let's Talk Dusty's 6th anniversary!** 🍷

BRAVO!! 🙌👉👈🙌👉👈

DUSTY IS EVERYWHERE!!....thanks to revising the web site , Cor..you have done an amazing job.

I just wondered around a little bit on the Dusty Springfield FB site and WOWEEEEEEEE.

nice to see the Dusty love alive and kicking! 🙌👉👈 thanks Nancy & Carole for taking on the task as keepers of the site..can't think of anyone better qualified 😊

I also want to say **HAPPY ANNIVERSARY LTD!!**...may it continue to provide a place for all of those Dusty fans to congregate and share the love of Dusty and her music and be a place to meet others from all over the world who share the enthusiasm . I am thankful for the Dusty journey I have had and continue to have and grateful to the friends and folks I have met along the way. 🙌

🙌👉👈🙌👉👈🙌👉👈

First of all, major props to Corinna for taking on the task of re-doing the website. It looks gorgeous, up-to-date -- like someone "very loving" is taking care of it 🙌👉👈🙌👉👈 I'm grateful to you and Dusty deserves no less than our all-out efforts to keep her music and memory well represented in cyberspace.

As for the Dusty Springfield facebook page, it was also Cor managed that handover. It was a little bumpy for me at first as I was apparently posting "too much Dusty" 🙌 but

after consultation with Cor and Carole G and Carole G signing on so we could work together, all is smooth and beautiful. It is stunning to see that tens of thousands of people sometimes view one post, but it makes me feel very good that there is such interest in Dusty, literally, from all over the world. Hopefully over time some of these people will join us over in the forum too.

As for our 6th anniversary--I remember the beginning like it was yesterday--I had just started my doctoral program! So we've come Full Circle, as I'm so pleased to be still here with Dusty. I love my Dusty family, and hope this year will bring us new energy and love for Dusty. Can't wait to get the not-raffle raffle started a bit later this year.

Clink! A toast to all.

I've added a "share" bar to the website. So if you use social media such as Facebook, Twitter, Google + or inshare -- go share your favourite pages from our website!

Some people already have! 😊

It's so fantastic- I find myself constantly jumping over to the homepage just to check out the pic! But there's so much more to discover- it's such a wonderful experience for a Dusty fan and I think newbies are going to absolutely love the new site. I know I do. Again, well done Cor. xx
