Take Another Piece Of My Heart (#p40137)

by **SweMaria** » Sun Nov 14, 2010 5:28 pm

I love 🥰 Dusty's version of this song!!

I think she sounds so cool, sensitive and tough at the same time ,when she sings it. I love the arrangement and the way the backing singers sing too! 🎵

Did she perform the song live?

I think I've read that she recorded it before Janis Joplin did it? Is that true?

I couldn't find Dusty's version of the song on Youtube... 🤔

I also like the song. I think Erma Franklin (Aretha's sister) recorded it first in 1967. Then Janis Joplin as well as Dusty did their versions both in 1968, but I'm not sure who was first. I normally always prefer Dusty, but Janis Joplin's raspy voice is also very cool and fits perhaps better. 😊

Here's Erma Franklin's version

... and Janis Joplin:

Unfortunately Dusty's interpretation is not on youtube. 🤔 Of course would love to hear Dusty singing this song live, but I don't believe she did.

Thanks for your links Chris! 🙌

I've also read that Erma Franklin recorded the song first and I like her version! 🥰

Janis' version was the first I heard and I've always loved it 🥰

But I think it's impossible to compare it with Dusty's - they are both so good but in different ways.

I love Dusty's restrained and powerfull version too! 🥰

As you said Dusty's version is not on youtube.. 🤔

This is a great song - everybody who sings it seems to put in a good version. Especially the fantastic Bettye LaVette, and Beverley Knight.
