Found this on youtube. It's from a tv show in New Zealand. It looks as if they choose an 'artist of the week' and this one is for Dusty. See what you think...

Cheers Georgie. 😊 They don't know their subject very well 🙄 but at least they are enthusiastic about Dusty and there's nothing malicious there. 😊

Thankyou Georgie really enjoyed that, how do you find them? and yes Darren I quite agree, definitely Dusty fans, all good intended. That particular performance still sends shivers down my spine to this day, watch it often, flawless.

At least the Bi Polar has been mentioned, not widely known really is it? I mean Dusty suffering with it.

Haha, that's what I thought Darren! It was nice to see their enthusiasm if anything 😊

Yes Jennifer I quite agree. That performance is one of my favourites - so iconic. I was just watching clips on youtube and it popped up as one of the 'suggestions' of related videos. I agree that the Bi-Polar aspect is rarely mentioned and I don't think it is widely known. I only learned about it through Maggie's findings that she posted on here.
