Not much of a facebooker these days but was browsing over the weekend and came across 'The official Dusty Springfield Fan Club!'. I know it sounds silly, but is it actually an 'Official' fan club or just another FB group? Is anybody from LTD a member? If so, is it any good? I've 'liked' the Dusty Springfield page (obvs) but was just wondering if this was anything different?

It isn't official at all, the person who started it chose the name and I agree that it makes it confusing. If you actually do a Google search for "official" DS site it brings up this <http://www.dustyspringfieldofficial.com/> and that leads you to the FB site that we now run after Universal handed over to us. There is nothing wrong with the one you have been looking at (apart from the name!) and a lot of LTD members are on there, it operates in a different way to our forum and to the Universal FB page. I believe that Simon had a few words with them about the official title and in their defence, I know you can't change a FB page title once you have over a certain number of members without deleting the whole thing.

I think I should rename my "user" to confused.com. There are so many Dusty sites with varying degrees of info and activity. All the links listed on LTD have lots of posts especially the archives with articles and items from friends and colleagues. dustyspringfieldsoul4u has Wend's drawings of DS and Cas's photos and more. Then of course the other FB sites which are very popular. As they say "you pays your money and makes your choice". Me I'm an Ltder with all its links!

I'd rather see the world the way it used to be.....

..I'm goin' back.

There's no 'obligations' or rivalry to here Georgie. "TODSFC" mainly consists of Youtube clips, Photos and some interesting conversations about Dusty and her music, obviously LTD is the place to be 😊 but It's a nice companion to the LTD Facebook site, dusty springfield soul4u site and Lets Talk Dusty itself.

I agree with Darren. LTD is and always will be the original and the best. It's also lovely to meet new

Dusty fans ( and old) you can never get enough Dusty. 🍷👍👏👏
