Song - A Love Supreme (I think thats what its called). Not especially good but still quite hot looking despite that ;) Tho not up to my recollection of the real thing, but that's another story altogether!

Judges comments - performed really well, singing has improved.. entertainer..
Superfans comments - looks like him.. charisma (who was she watching? lol)

Next act - KATY!!!!

BTW, I haven't tried to vote yet, but if you should try calling from the States, you need to remove the first 0, and add 011-44- than the rest of the number.

Will, what's happening now?

I've managed to get through several times, but the engaged signal keeps kicking in - a good sign I hope!

I noticed that when Simon made his comments about the public wanting Dusty to represent the nation the Joan Collins lookalike starting clapping madly - either she forgot who she was supporting or her true feelings came out...

Viva Katy!

Pat, you are so right about simon, he set me off crying with his comments. I haven stopped since. trouble is i cry everytime i see one of their mums in the audience, or their wife. Its ridiculous.
katy was bloody fantastic, she punched out those lyrics and just looked totally amazing, and her eye movements were spectacular.
They have all been great apart from robbie williams grandad. Im already on repeat dial, and will be for the next hour or so

Now we have over a three hour wait, correct Will! EEEE Gads!

Sounds very promising, right? How did Lionel Richie do?

I also think she will sing You Don't Have To Say You Love Me, Nancy - she always said that was the one song she was building toward and the one she loved most of all, I really hope it is the one.

Her original performance of that was stunning.

Neil are you doing alright? Wendy, what about you?
